In re Patent No. 6,082,422  
Issue Date: July 4, 2000  
Application No. 09/087,658

Attorney Docket No. STK98-2

**OFFICE OF PETITIONS**

**ON PETITION**

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed October 13, 2009, to revive the above-identified application.

The petition is **DISMISSED as being MOOT**.

The above identified application is not abandoned. In fact the application issued as a patent on July 4, 2000, nine years before the instant petition was filed. Since the application was not abandoned, a petition to revive the application serves no purpose and is moot. The letter included with the petition makes reference to the reexamination of the above identified patent but the petition was not filed in that application, 90/009,043. Office records show that the reexamination certificate was issued November, 10, 2009.

The \$810 petition fee will be refunded to petitioner.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-6842.
